

Brand Use and Guidelines

Version 2.1
September 2016

Brand Policy

Brand

These rules (“Rules”) apply to any party (e.g., a Ripple gateway, developer, bank or other Ripple customer) wishing to use Ripple’s trademarks, service marks, logos, word marks, graphics and similar intellectual property (the “Ripple Brand Assets”) in promotional, advertising, instructional or reference materials, on websites, or in connection with products or services. By using or reproducing a Ripple Brand Asset you are agreeing to abide by these Rules which form a binding agreement between you and Ripple. If you are using a Ripple Brand on behalf of a legal entity such as your employer, you represent that you have the authority to bind such entity, and the terms “you” or “your” shall include such entity. If you do not agree to these Rules, you are not authorized to use Ripple Brand Assets.

The Rules are intended to promote consistent use of the Ripple brand. This makes it easier for people to instantly recognize references to Ripple and related products and prevents market confusion. The Rules are also intended to protect the Ripple Brand Assets, which are valuable assets of the company (Ripple). Ripple dedicates substantial resources to the development and protection of its intellectual property. In addition to seeking registration of its trademarks and logos around the world, Ripple enforces its rights against people and companies that misuse its trademarks and other Ripple Brand Assets. In following these Rules, you help Ripple protect its valuable trademark rights from dilution and disparagement while also strengthening the Ripple brand identities.

Ripple Trademarks

The following is a partial list of the trademarks owned by Ripple: Ripple, Ripple, Ripple Trade, XRP, the Ripple logo and the Ripple logo.

Ownership of Ripple Brand Assets

You acknowledge that Ripple is the sole and exclusive owner of all Ripple Brand Assets and derivatives thereof and that all goodwill derived from using any Ripple Brand Asset inures exclusively to the benefit of Ripple. You promise that you will not interfere with Ripple’s rights in the Ripple Brand Assets, including by challenging Ripple’s use, registration, or application

to register any Ripple Brand Asset or by registering any Ripple Brand Asset yourself anywhere in the world.

Usage Rights

Except for the limited right to use Ripple Brand Assets expressly permitted under these Rules, no other rights of any kind are granted hereunder, by implication or otherwise. You agree that you will not harm, misuse, or bring into disrepute any Ripple Brand Asset, including by using any Ripple Brand Asset in connection with any unlawful, scandalous or fraudulent activities. You agree to use Ripple Brand Assets in compliance with all applicable laws, rules and regulatory regimes. If you are a licensee of a Ripple Brand Asset and have been provided with special trademark usage terms in your agreement with Ripple, please follow those terms. If your agreement with Ripple does not provide usage terms, then follow these Rules. If you have any questions regarding these Rules, please contact Ripple at support@ripple.com.

Authorized Use of Ripple Trademarks

1. **Ripple Logos:** Only Ripple and its authorized licensees may use Ripple logos, word marks, and graphic symbols (including the Ripple mark) in advertising, promotional and sales materials. If you are authorized to use Ripple logos in your agreement with Ripple then you must use the Ripple logos only as specified in your agreement (and any associated usage terms) and such use must always include appropriate terms that define the relationship authorized by your agreement (e.g., integrator, service provider, licensee, etc.). You should not use Ripple logos, marks and images you may have found elsewhere on the web.

2. **Compatibility and Referential Use:** If you are using Ripple products and services you may use Ripple word marks in a referential manner on your website or in printed or electronic promotional/advertising materials to accurately describe that your product or service is compatible with or utilizes the referenced Ripple product or service (including Ripple technology). Any such use must comply with the following requirements:

(a) The Ripple word mark is not part of the name of your

Brand Policy

Brand

product or service.

(b) The Ripple word mark appears less prominent than the name of your product or service.

(c) The Ripple word mark is used in a referential manner, using the phrase “built on.” You may use this “Built on Ripple” badge on your website or in your product. Download the “Built on Ripple” badges.

(d) Your product or service is in fact compatible with, or otherwise works with or uses, the referenced Ripple product or service.

(e) All packaging and marketing and promotional materials for your product or service includes a disclaimer of affiliation with Ripple, similar to the following: “[PRODUCT/SERVICE NAME] is a [PRODUCT/SERVICE] of [YOU] and has not been authorized, endorsed, sponsored or otherwise approved by Ripple or its affiliates.”

(f) The reference to Ripple does not create a sense of endorsement, sponsorship, or false association with Ripple or Ripple products or services.

(g) Your use does not show Ripple or its products or services in a false or derogatory light.

(h) For avoidance of doubt, the term “XRP” can be used in a referential manner to describe valid, legal business activities or purposes taking place via the Ripple network or protocol, provided however, that its use is accurate, truthful, and in no way disparaging. “XRP” can be used in brand names of certain businesses only with the express written permission of Ripple.

3. Events and Publications: You may use a Ripple word mark in connection with events, seminars, conferences and articles (and related promotional materials) in a referential manner provided that you comply with the following requirements:

(a) Your use of a Ripple word mark in any title is less prominent than the rest of the title.

Acceptable: ABC Conference Regarding the Promise of Distributed Technologies and the Ripple Protocol.

(b) Your use reflects favorably on both Ripple and Ripple products and services.

(c) Your name and logo appear more prominently than the Ripple word mark on all printed and electronic materials advertising or marketing the article or event. To be clear, you may not present Ripple Brand Assets in a way that makes them the most distinctive or prominent feature of what you’re creating.

(d) Ripple logos may not be included without Ripple’s express written permission.

(e) A disclaimer of sponsorship, affiliation or endorsement by Ripple, similar to the following, is included on the publication and all related marketing materials: “This [SITE, POST, BLOG, ARTICLE, EVENT, ETC.] is independent of Ripple and has not been authorized, endorsed, sponsored or otherwise approved by Ripple or its affiliates.”

(f) A trademark attribution notice is included in a credit section giving notice of Ripple’s ownership of its trademarks.

4. Websites: Websites that serve only as noncommercial electronic informational forums concerning virtual currency, blockchain technology, and Ripple products and services may use the appropriate Ripple word mark in a referential manner, provided that such use complies with the guidelines set forth in Section 3 above.

Unauthorized Use of Ripple Brand Assets

1. No Registration or Domain Name: You may not register, in whole or in part, as a trademark, domain name or otherwise any Ripple Brand Asset or an alteration or derivative thereof. You may not use an identical or virtually identical Ripple trademark, in whole or in part, as a second level domain name.

Unacceptable: Ripple-Gateway.com or BestRippleWallet.org

Brand Policy

Brand

2. **Company, Product, or Service Name:** You may not use, in whole or in part, any Ripple Brand Asset, or an alteration or derivative thereof, as part of a company name, trade name, product name, or service name. For the avoidance of doubt, you may not combine any Ripple Brand Assets with your name, marks or generic terms.
3. **Variations, or Derivatives:** You may not modify Ripple Brand Assets in any way, such as by changing a design or color or adding words or elements. You cannot use a variation, phonetic equivalent, foreign language equivalent, takeoff or abbreviation of any Ripple Brand Assets for any purpose without Ripple's express written permission.
4. **Disparaging Manner:** You may not use Ripple Brand Assets in a disparaging manner. You may not feature Ripple Brand Assets on materials associated with illegal activities (e.g., unlawful trades and fraudulent schemes).
5. **Endorsement:** You may not use Ripple Brand Assets in a manner that would imply Ripple's affiliation with or endorsement, sponsorship, or support of your company or its activities, products or services. You may not use the Ripple Brand Assets in any way that would confuse others as to the relationship between you and Ripple or as to who offers your products or services.
6. **Trade Dress:** You may not imitate or make use of the layout or trade dress of Ripple's websites, technology, products or advertising. You may not use any trademarks, names, domain names, logos, or other content that imitates or could be confused with Ripple.
7. **Copyrights:** You may not use any image or copyrighted materials on Ripple's website, such as charts, graphs, and product descriptions or announcements without Ripple's express written permission.
8. **Slogans and Taglines:** You may not use or imitate a Ripple slogan or tagline.

Style Guide and Rules for the Proper Use of Ripple Trademarks

1. Always spell and graphically represent Ripple's trademarks exactly as they are shown in the Style Guide Do not shorten or abbreviate Ripple Brand Assets. Do not make up names that contain Ripple Brand Assets.
2. The minimum clear space must be ½ the height of the Ripple triskelion in every direction. Try to maximize clear space whenever possible.

Proper Trademark Attribution

1. For uses in the United States, the appropriate trademark symbol (TM, SM or ®) should be included the first time the Ripple trademark appears in the text. For uses outside the United States do not use trademark symbols – instead use one of the following credit notices in your materials: (1) for registered marks: "_____ is a trademark of Ripple, Inc. registered in the United States and other countries" and (2) for unregistered marks: "_____ is a trademark of Ripple, Inc."
2. For products or services distributed in the United States, include an attribution of Ripple's ownership of its trademarks within the credit notice section of your product, product documentation, or other product communication: (1) for registered marks: "_____ and _____ are registered trademarks of Ripple, Inc." and (2) for unregistered marks: "_____ and _____ are trademarks of Ripple, Inc."

Ripple Logo & Trademark

This is the official logo for the Ripple network. Ripple™ is a trademark of Ripple Inc. Use of the Ripple trademark and logo are dictated by the terms outlined on the following pages.

Ripple Logo spacing

The size of the ripple logo determines the amount of clearance needed around it. For a logo height of "X", insure there is 1/2 X clearance on each side.

Minimum X for digital is 14px
Minimum X for print is 1/4 inch

Ripple Logo

This is the official logo for the Ripple network. Ripple™ is a trademark of Ripple Inc. The mark may be used alone, or with the logo type. Primary and secondary colors must be matched with logo type primary or secondary colors.

Powered By Ripple

We have created these attribution badges to help strengthen and build equity in the master brand and to create a clear relationship between our official partners and Ripple.

This badge is only to be used in relation to products or solutions built on or integrated with Ripple technology as part of an official partnership with our company. The badge should closely follow the name of the product or solution. The text should be clearly legible and in close proximity to the name of the product or solution.
